## Why Buy from Rayleigh Instruments?

- 50+ Years of successful trading (Est. 1964)
- Full after sales support
- BSI Certified ISO9001:2015
- Extensive range in stock

**Remotely monitor, collect data and control from anywhere in the world!**

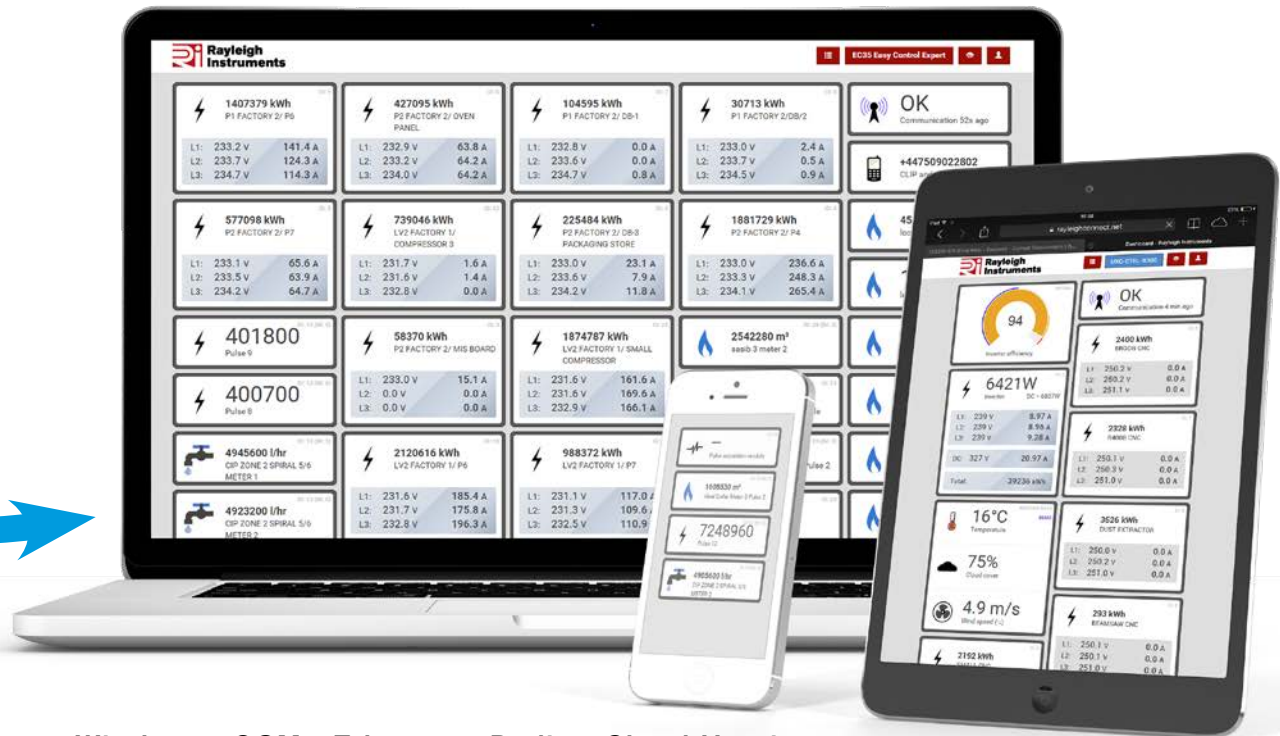

# rayleighconnect™

## Building Management Systems

rayleighconnect™ monitors remotely your whole building(s) energy usage and holds the data in the cloud so you can access the information anytime.

Even historical data is kept so you can make comparisons of your energy consumption for gas, electricity and water over extended time periods.

Remote alerts can be set up to warn of discrepancies on the running of the building.
